

REGULAR WORK, PERFORMANCE-BASED PAY

New kitchen, tasty lunch, fast WiFi

At the beginning of spring, when voices speaking foreign languages fill the air once again, the traditional time for seasonal work begins at the Forstmannshof. This is when we see all the familiar faces of our employees from Poland, Romania and other countries again.

It gets livelier at our farm – and we are working hard to ensure that it remains this way in the coming years. With us, our employees enjoy many benefits: a modern kitchen with a full range of options for self-catering, a delicious lunch served warm every day, cosy and quiet accommodation and a free shuttle to the shops in nearby Lüdinghausen. In addition, working hours are regular and compensation is performance-based.

WiFi: even closer to home

And that special extra from mid-2019: full WiFi coverage with 100 Mbit/s. This helps our employees from Poland, Romania and beyond stay even better connected to their homes and loved ones than before. Because our employees should feel as comfortable as possible on our farm.
